

# Lift One Another Up

## STUDENT RECOGNITION:

Please help us make Harpeth Middle School a positive place to be. Here's how you can help:

Our faculty and staff are working hard to recognize the positive character and behavior of students. They are rewarding students who behave in a positive manner with "Indian Money" reward slips. Students will then be able to use these slips to purchase items from our special store and attend incentive parties throughout the school year. The first party is currently planned for October 9<sup>th</sup>.

Our staff and students would really appreciate your help in supporting this focus on positive behavior. You can help in any of these ways:

- 1.) Collect small items that would be appropriately motivating to middle schoolers and donate them to our store for students to "purchase" with their Indian Money slips.
- 2.) Collect items of reward value to middle school students and donate them to be given away in random drawings during the incentive party.
- 3.) Make monetary donations, checks made to Harpeth Middle School and notated with "Positive Behavior Support", so we can purchase items for the above two purposes.

## ADULT RECOGNITION:

The administration of Harpeth Middle School would also like to request your help in recognizing the positive contributions of the adult teachers and staff in our building. Every day, large and small things are done that shape the children in our community in a positive way. Recognizing those things will let us know what you value and help insure their continuation. The only thing we ask is that you tell us about it. Please send the form below (by hand delivery or mail) to Angela McCarthy at Harpeth Middle School. The results will be given to individual teachers and published to all staff.
